9.00am - 3.00pm each day.

*After care from 3.30 - 5.30pm
additional \$8.00 per child.

HOLIDAY PROGRAMME

For 5-12 year olds

Bookings

To ensure a spot for your child, please visit the Napier Aquatic Centre to book as soon as the bookings open, and please make sure you only book the days you require. Bookings are on a first-in first-served basis, no spaces can be held, and we can only take a limited number of children per day. Registration forms need to be correctly filled out for each holiday programme period and any extra information important to the care of your child needs to be passed on to the coordinator or supervisor at the time of booking. You may also need to fill out or amend a special care form.

Cancellations

If your child is sick or unable to attend the programme the direct line to the

Holiday Programme is 021 0296 1942. Please text, call or leave a message on this number during programme hours only. Remember, it is your duty to know the days you booked at time of booking. It is our duty to locate the whereabouts of a child if they have not arrived at the programme on time. A credit will be given only if notice is given before 8.00am the morning of your booking and upon sighting a medical certificate. You are still liable for costs if you decide your child will not be attending. No refunds will be given and once you have booked the days they are final.

WINZ Subsidies

The Napier Aquatic Centre accepts WINZ subsidies. If you wish to be eligible for a subsidy please contact the programme coordinator for more advice. If you want to register your child with an OSCAR subsidy you must do so with the programme coordinator at the centre. You can do this at the time of booking.

Please bring all the relevant forms that are required to be filled out for your application. We have full application forms and declarations at the centre. Brand new applications will incur a holding fee. It is a good idea to pick up a subsidy information brochure from our facility or from the WINZ website to find out the hours you are eligible for. Please note if you apply for an OSCAR subsidy, and your application is declined, you are still required to pay for the spaces you've booked for your child. So please, if you are not sure about your subsidy, please speak to WINZ first.

Programme Hours

The structured programme runs from 9:00am-3:00pm each day. However, children can be dropped off from 7:30am and collected by 3:30pm. If you wish to drop your child off at 9:00am and pick them up at 3:00pm the day fee of \$36.00 still applies. Please ensure children are at the centre no later than 9:00am as we have scheduled activities or may be leaving the complex shortly after that time. After care is available 3:30-5:30pm at \$8.00 per day. Pick up is strictly no later than 5:30pm and late pick ups will be charged extra. When there is no structured programme (7.30-9.00am and 3.00-3.30pm), children will be supervised by a minimum of two staff and can choose their own activities such as colouring in, swimming, games, crafts, or watching a DVD.

Sign In/Out

Please drop off and collect your child directly from the pavilion. This can be accessed by the door opposite the netball courts. You will be able to use the car park off Flanders Avenue. However, there is no thoroughfare to the Maadi Road car park.

Requirements

We swim every day so please pack togs and essentials each day in a well-named bag. Children also need to bring a sunhat, closed-toe shoes and a jacket, no jandals. They must also bring their lunch, morning and afternoon tea, and a water bottle. If your child is staying for after care please provide a snack for this time too. Please do not give your child food

that needs cooking or heating and no sugary or energy drinks are allowed.

Phones, MP3s, Toys & Money

These items are prohibited unless otherwise stated. Please ensure your child leaves valuables at home. We are not responsible for missing or broken property. Money for food is not allowed unless for an activity such as the movies.

Medication

If your child needs to take medication during the programme you need to inform the Instructors, give them the medication and fill in a medication consent form. Please note, we do not administer or provide medications such as paracetamol or asthma inhalers.

Policies & Procedures

Please ask the programme coordinator if you would like to view our policies and procedures manual for guidance.
